

On April 13-16, 2026, my family and I (4 people) are going to Great Wolf Lodge (GWL) for our dream vacation because when booking 120 days in advance, you get a 30% discount. The room I will be booking is a family fireplace suite which can fit 4-6 people. It will cost \$776.98 for 3 nights (\$259/night) after using the 30% deal. In total though, it will cost \$1076.96 for unlimited water park access, free kids activities, \$200 paw points card, 8000 tickets, 8 games of laser tag, 8 games of bowling, all picture pass, and free wifi. We will wake up early and will drive 146 km to GWL. The total gas money to go to Niagara and back is \$22. On the first day, we will walk to Northwoods Pizza Company and eat 4 egg & bacon sandwiches for breakfast that will cost \$25 in total. After, we will walk to and then go on the watersides for a while until lunch. Once it is close to 1, we will walk to Buckets Burger and Bites and eat 4 cheesesteak smash burgers that will cost \$48. Next, we will walk to the Northern Lights Arcade and play games and take photos of our cool wins until all our paw points are gone. After, we will redeem our tickets for prizes and take photos of them. Finally, we will walk to Northwoods Pizza Company and share a large ringo's Hawaiian pizza that costs \$22. The total cost of the 1st day is \$95 without including the cost for the hotel. The next day, we will wake up and walk to Northwoods Pizza Company to buy 4 chocolate croissants that will cost \$16. After, we will walk to Northern Lights Laser Tag, and Ten Paw Alley to play 8 games of laser tag and 8 games of bowling at Northern. Then, we will walk to Northwoods Pizza Company to share a large cheese pizza for \$18. Once we are done eating, we will walk to the waterpark area and play on the slides there for a while. Finally, we will walk to Buckets Burger and Bites to buy 4 fresh and juicy burgers for \$40. The total cost of the 2nd day is \$74. The 3rd day, we will walk to Northwoods Pizza Company to buy 4 lodge crafted muffins for \$12. Then, we will play on the waterslides and wave pool until 1. After, we will walk to Buckets Burger and Bites to buy 4 chicken sandwiches for \$56. Next, we will walk back to the waterpark area and go on waterslides until 6:45. Once it is time, we will walk to Northwoods Pizza Company and share a large cheese pizza for \$18. The total cost of the 3rd day is \$83. For souvenirs, we will keep the photos and prizes. We will save the \$149.04 left over for unexpected costs that come up or if something costs more than expected.
